

Orillia Figure Skating Club 2024-2025 Sponsorship

The Orillia Figure Skating Club has been offering instructional figure skating to young children through adulthood since 1950. We are a volunteer run organization, operating 10 months of the year allowing the youth of our community to figure skate locally. We provide nationally recognized programming to foster the development of skating skills within our community while encouraging achievement through safe, fun and positive participation.

Skating involves a large commitment by our athletes and a high financial cost to their families. We are asking for financial support to assist these athletes. By donating you are supporting our athletes to continue to develop their skating skills

It is through the support of businesses that we can offer such great opportunities for our youth!

By contributing to the Orillia Figure Skating Club, you are helping to provide young people with the chance to develop their skills and talents in a sport they are passionate about while instilling values such as resiliency, dedication, and teamwork.
