

Dear Sponsors,

The Orillia Figure Skating Club is excited to welcome another skating season and invite your organization to become a valued corporate sponsor. For more than 75 years, the Orillia Figure Skating Club has been committed to developing skaters of all ages and abilities—from beginners taking their first steps on the ice to athletes competing at the provincial and national levels. With more than 450 registered skaters, dedicated coaches, volunteers, and supportive families, our club continues to provide a positive environment where athletes build confidence, develop lifelong skills, and achieve their personal goals.

2026–2027 Season Highlights

This season, we are proud to expand our athlete development opportunities by offering:

- **Fully coached off-ice classes** for all STARSkate athletes.
- **Fully coached off-ice training** for our specialty programs, including Advanced CanSkate, Development Team, and Enhancement Team.
- A **STARSkate Athlete Development Seminar** focused on athlete growth through topics such as goal setting, performance preparation, nutrition, mental performance, and injury prevention.

These enhancements reflect our continued commitment to providing a well-rounded skating experience and helping every athlete reach their full potential.
