Club Commitments

- During the 2024-2025 season, StarSkate families will have three Club Commitments.
- First, each StarSkate family will be responsible for playing music on their skater's session each month as scheduled.
- Each Star Skater will also be required to sell two booklets for the "Gas For A Year" fundraiser. Each booklet contains 5 tickets; each ticket is \$20.00.
- Finally, each skater will be required to work one 2 hour shifts during our Tag Day. Dates and times of shifts will be forthcoming as information becomes available.
- If families choose to participate in each of these commitments, registration fees will be reduced, according to the value of each of the commitments, when you register. More information will soon be available.
